REMEMBER WITH US...

To Friends of Earl Palmer Ministries,

During this time of the pandemic and widespread unrest, I invite you to listen to a series of expositions that I was privileged to give at "Word and Worship" in Spring 2018. As an ongoing outreach of Earl Palmer Ministries this event is defined as an evening hour set apart for worship and personal reflection through music, prayer and exposition of texts from the Bible and held in the Henry Chapel at The Highlands in the Seattle area. As the recording is limited to the Bible study I encourage you to also download the bulletin that names the music and has the words for us as we joined in song.

In reviewing the recordings this past week, I felt that the life of St. Paul in the first century world offers insights into the powerful expanse of Grace. There are three separate sessions so you can tap into an individual link at your convenience.

St. Paul, Three Life Changing Markers (Spring, 2018)

- (1) To Discover Grace Text Acts 9:1-6
- (2) To Live by Faith Text Acts Romans 1:16,17
- (3) To Hope in Time of Stress Text Acts 16:9-34

In the meantime, stay safe.
